4.	<p><b><u>Values Inculcation – Resilience</u></b></p> <p>Good values are best taught and reinforced both in school and at home. Thus, the school implements VIA (Values in Action) at Home as part of efforts to develop good values and important life skills in our children. A talk on the value of Resilience has been conducted during Class Contact Time on 7 July 2021 and the children are encouraged to practise the value of Resilience at home too.</p> <p>Please encourage your child to attempt the tasks under the various values listed in “VIA at Home” on page 15 of the Student Handbook. Kindly tick the box next to the task(s) which your child has performed and sign at the bottom of the page if you have yet to do so. Our teachers will be checking your child’s Student Handbook.</p> <p>There is no need to tick every box beside the tasks, just the ones which the children have already carried out. This will give us an idea of how far our children have been able to put these values into practice at home. We hope that our children will continue to practise these good habits and internalize them.</p>	ST1
