In celebration of Olympic Day 2025 on 1 August 2025, we are excited to offer all students a hands-on experience of various sporting skills. To ensure that students are well-prepared for the activities, instructional videos demonstrating how the games are played for **all levels** can be found in the Olympic Day Package on the **Student Learning Space (SLS)** portal.

As part of the event preparation, **P1 to P4 students** will also be creating hand-made items at home. These activities (see table below) aim to promote **parent-child bonding** and reinforce learning through crafting.

6. **Student Accolades: Commendation from a Member of the Public**

We are pleased to share a commendation received from a member of the public, recognising the kind and responsible actions of two of our students — Muhammad Arqillie Bin Muhammad Fariq (5C) and Muhammad Andhika Bin Mohammad Sophian (5R3).

While having their food at the bench in Fernvale Community Club, the two boys were observed displaying commendable behaviour. Despite the strong wind from the ceiling fan causing their plastic bag to fly off occasionally, Arqillie and Andhika took the initiative to pick up any fallen items promptly. Before leaving, they ensured that all their rubbish was properly disposed of and even took the extra step of wiping the table clean with a tissue.

Such thoughtful and civic-minded behaviour reflects the values we uphold at Fern Green Primary School. Arqillie and Andhika have indeed demonstrated what it means to be responsible citizens with good manners. They are wonderful role models for their peers, and we are proud of them!
