## 2. **P4 Subject Based Banding Briefing for Parents on 19 September 2025 (Friday) via MS TEAMS**

Subject-based banding (SBB) gives students the opportunity to take a combination of subjects at standard and foundation levels based on their strengths. Students can take a mix of standard and foundation subjects through SBB at P5 and P6. This would allow students to:

- stretch their potential in subjects they are strong in; and
- build up their understanding in subjects they need more help with.

The school will be conducting a briefing on SBB for all P4 parents on **19 September 2025 (Friday)**. Details of the briefing are as follows:

<b>Date</b>	19 September 2025 (Friday)

## 3. **Recess Art Jamming – Creating a Thaumatrope Toy!**

We are excited to announce that our FGPS Art Department is organizing Recess Art Jamming, a fun and creative activity for our students during recess on **1 and 2 September 2025 (Monday and Tuesday)** at the **Sheltered Basketball Court (SBC)**! The event aims to create an artistic platform for students to express their creativity through drawing and art-making in a spontaneous and joyful environment.

This year, students will get the opportunity to make their own thaumatrope, a simple toy from the 19th century. It has a picture on each side of a card, and when the card spins quickly, the two pictures look like they join together into one image. For example, a drawing of a bird on one side and a cage on the other will appear as a bird inside the cage when spun. This toy is one of the earliest steps towards animation.

This hands-on art experience nurtures our students as Joyful Learners and Resilient Innovators, in line with our school vision. While creating their thaumatrope toys, students will:

- **Think Creatively** – experimenting with designs and ideas.
- **Show Resilience** – refining their work through trial and error.

### **Note:**

Please note that *It's Showtime* recess performance will not be held in Term 3 Week 10 in view of the preparation for *Talentine* showcase on Teachers' Day. *It's Showtime* recess performance will resume in Term 4 Week 10.

7. **Student Accolades: Commendation of Gracious Behaviour by Our P1 Student: Lewin Lee Ya Jun (1R3)**

We are pleased to share with you a heartening commendation we received regarding Lewin Lee Yu Jun's exemplary conduct on 4 April 2025.

Lewin found a lost student concession card at the car porch area near Happy Hawker Food Court (Block 432A, Sengkang West Way). Demonstrating responsibility and honesty, he immediately handed the card to his mother. Together, they took the initiative to locate the rightful owner, ensuring that the card was safely returned.

This thoughtful act not only brought ease to others but also shines as a wonderful example of the honesty, care, and integrity we are proud to see in our students at Fern Green Primary School.

We are proud of Lewin for upholding the school's values through his commendable action. His honesty serves as a wonderful example to his peers, and we hope his actions will inspire them to follow in his footsteps and continue contributing positively to the community.

Well done, Lewin!
